More Time to Create! Lake Light Sculpture Extends Artist Deadline

JINDABYNE, NSW - Thanks to strong local support and growing interest, the Lake Light Sculpture Festival has extended its artist entry deadline to **Friday, 28 March** - giving creators extra time to bring their visions to life.

With an impressive pool of both emerging and established artists, including local schools and early childhood groups, this year's festival is shaping up to be an unmissable event.

"We've had such a great response from artists, and we want to ensure that everyone has the opportunity to participate," said Lake Light Chair, Dani Kel. *"If you've been on the fence about entering, this is your chance to be part of something truly special."*

The festival will re-open entries on **Friday, 7 March**, providing additional time for artists and community groups to secure their place in the 2025 event.

Return to the Iconic Lake Jindabyne Foreshore

After facing challenges in recent years, Lake Light Sculpture is making a much anticipated return to the Lake Jindabyne foreshore for Easter Long Weekend, 18-21 April 2025. This iconic setting will once again provide a picture perfect backdrop for an incredible sculpture experience, where visitors can enjoy the artworks by day and under spectacular nighttime illumination.

Incredible Community Support

The festival's return would not be possible without the unwavering support of the local community. A number of local businesses, including Mountainside, Thredbo, Perisher, The Banjo Paterson Inn, Boco Rock, Snowy Mountains Solar, Snowy Hydro, and more, have stepped up to ensure its success.

"The way the community has rallied together is incredible. From small businesses to large sponsors, so many have contributed to ensure this event thrives. Their generosity has helped us offer an impressive prize pool, attracting talented artists," said Lake Light Chair, Dani Kel.

\$42,500 Prize Pool with Major Sponsorship Support

Artists will compete across 13 categories, with a \$42,500 prize pool up for grabs. The Major Award of \$10,000 is proudly sponsored by Mountainside, while the Illumination Award of \$5,000 is supported by Snowy Regional Solar. Thanks to the generous support of local businesses, the festival's second-largest award - the \$6,000 People's Choice Award - will once again be decided by visitors to the event.

Snowy Hydro is sponsoring the Schools and Community Groups Awards, ensuring that proceeds from these prizes are directed straight back into local the local community.

Artists interested in submitting their work can find entry details at **lakelightsculpture.com.au**
